About

As a Full Stack Engineer, I have successfully taken multiple
products from 0 to 1. I lead teams effectively, ensuring an
environment where people can do their best work. Currently, I
work mostly with TypeScript, React, Node.js, and GraphQL. I have
over 8 years of experience in working remotely with companies all
around the world.

Work Experience

Parabol Remote   2021 - 2024

Senior Full Stack Developer
